# Pregnant? Think you might be?

No matter what your age, nationality, race or religion, we're here to help.

## We Understand

An unplanned pregnancy can be an overwhelming experience. You may feel hurt, afraid, alone, confused, or angry. The good news is you don't have to deal with this all by yourself.

The caring volunteers at the Pregnancy Counseling Center have assisted hundreds of women facing unplanned pregnancies. Our trained counselors will listen to your questions and concerns, give you a free, confidential pregnancy test, and then provide you with the information you need to make informed decisions. We can help you find real solutions that work for you.

We also offer continuing assistance through our counseling and material assistance programs.
