

## How to use United Way Payroll Deductions to support the Pregnancy Care Centers

While there is *no affiliation* between Christian Life Resources Saginaw Valley and United Way, and our Pregnancy Care Centers (PCC's) are *not* on the list of organizations United Way supports, individuals in most Michigan counties *can* designate their contribution to be sent to the non-profit 501-(c)3 of their choice, as long as they make that request on their United Way form. If you are interested in doing this, these are some things you should know:

<p><b>Pros:</b> Convenient: Automatically deducted from your paycheck, and mailed to the PCC. Can satisfy employer's expectations that everyone contribute to UW.</p>	<p><b>Cons:</b> UW supports some organizations that run counter to biblical principles. 10%-20% of your contribution is used by UW, only <b>80%-90%</b> goes to the PCC. PCC cannot verify amounts of individual contributions received.</p>
